

The Post

Job Title:	Football Manager
Reference:	
Location:	Canterbury
Reports to:	Sport Development Manager
Responsible for:	CC Sport Football Team

Main Purpose of the Role

The Football Manager (FM) will lead the CC Sport football team in the Kent County League and be the main contact for all enquiries regarding the team. CC Sport acts as a reserve side for Canterbury City FC who compete in the Southern Counties East Football League. The FM will work with the committee of the Men's Football Club at Canterbury Christ Church University to engage student players and former students of the University. The FM will liaise directly with officials at Canterbury City FC to supplement the core from the University.

As the Manager of the CC Sport football team, the post holder(s) will be expected to attend the Men's Football team trials weekend, league meetings as organised by the Kent County League, fixtures and training sessions, as well as meetings with Canterbury City Football Club. There will be no remuneration for this role however the position can be split between two people if appropriate.

Main Duties

The post holder will be required:

- To manage the players by liaising directly with them regarding selection for matches
- To fill in match reporting information on Full-Time website including referee score and player list including scorer
- To arrange friendly fixtures as required liaising with the University if pitch space is required
- To collect subs of at each fixture and record the collection of it from each individual player.
- To ensure kit is clean and available to wear for the team on a weekly basis ensuring the away kit is available if needed
- To submit match reports to go on the Canterbury City FC website including starting line-up, goal scorers and substitute appearance makers
- To ensure pay the referee is paid at each home fixture out of the collected subs
- To liaise regularly with the first team manager for Canterbury City Football Club regarding the upward and downward movement of players
- To text the results of fixtures through via the Full-Time text messaging system or as directed by any other competition (e.g. Kent County Cup)

For more information on the role or to express interest, please contact Aidan Ainsley, Sport Development Manager (aidan.ainsley@canterbury.ac.uk).
